FRANK MAAS, United States Magistrate Judge.

Pursuant to the conference held earlier today, it is hereby ORDERED that:

1. Fact discovery regarding liability issues will precede fact discovery regarding damages, and will be governed by Case Management Order Nos. 2 and 4, except to the extent the Court otherwise directs.
2. By November 24, 2010, the plaintiffs shall serve their Rule 26 disclosures.
3. By December 10, 2010, the parties shall serve their document requests.
4. By January 7, 2011, the parties shall respond to the document requests.
5. Depositions may not be taken prior to February 18, 2011 without Court approval. If a party seeks to take an earlier deposition, the request shall be presented in the form of a joint letter to me setting forth each side's position.
6. By April 29, 2011, the parties shall complete their "rolling" production of documents.
7. By October 31, 2011, the parties shall complete all fact discovery concerning liability issues.
8. In general, the Court believes any summary judgment motions should be filed after the conclusion of fact discovery concerning liability issues. If a party believes that an earlier motion is warranted, the request shall be made in the form of a joint letter to me, setting forth each side's position.
